**Wisconsin Works (W-2) and Related Programs Contract
for the period January 1, 2004 through December 31, 2005
between
the State of Wisconsin Department of Workforce Development
and
Agency Name**

THE CONTRACT is entered into by and between the State of Wisconsin Department of Workforce Development ("Department") and Agency Name ("W-2 Agency") (collectively, "the Parties").

WHEREAS, the Department is authorized by section 49.143 of the Wisconsin Statutes, as amended, to contract with service providers to administer Wisconsin Works ("W-2") under sections 49.143 to 49.161 of the Wisconsin Statutes (1999-2000) as amended; and

WHEREAS, the purpose of W-2 is to enable parents to fulfill their responsibility to nurture and support their families by providing community-based employment and supportive services and an opportunity to achieve, at the earliest possible time, economic independence and self-sufficiency through work; and

WHEREAS, the Parties wish to contract for the administration of W-2 and Related Programs by the W-2 agency for the geographic area(s) of County; and

WHEREAS, the W-2 agency, under contract with the Department, is required to perform all W-2 and Related Program services and to implement the entire program, in accordance with the Department's Policies and Procedures, for the above geographic area(s) and is wholly accountable and responsible for results;

NOW THEREFORE the Department and the W-2 agency agree as set forth in the Contract, the Contract Appendices, and documents incorporated by reference into the Contract.

1. Contract Period

The Contract Period will be January 1, 2004 through December 31, 2005, except as specified in Contract section 26.10. The Department may re-contract for the 2006-2007 Contract Period with a W-2 agency that meets the Department's requirements.

2. Contract Extension

2.1 Extension

The Department may elect to extend the period of this Contract for one year, to December 31, 2006.

2.2 Notification of Extension

The Department shall decide whether or not to extend the Contract Period of this Contract, and shall notify the W-2 agencies of its decisions.

2.3 Allocation and Performance Standards

If the Department elects to extend the Contract Period of this Contract, the Department shall make determinations as to allocations and performance standards for the added year of the extension.

3. Contract Manager

3.1 Designated Contract Manager

The Department and the W-2 agency shall each appoint a Contract Manager.

3.2 Contract Manager Name

The Department's Contract Manager is the Division of Workforce Solutions ("DWS") Regional Office Area Administrator. The W-2 agency's Contract Manager is the person identified on the W-2 agency's Agency Identification form.

3.3 Department's Contract Manager

The Department's Contract Manager manages the W-2 Contracts on a daily basis. The Department's Contract Manager will periodically monitor the W-2 agency's performance under the Contract. The W-2 agency shall promptly undertake such improvements and corrections as may be reasonably necessary to correct any problems and/or deficiencies identified in the Department's Contract Manager's periodic monitoring.

3.4 W-2 Agency's Contract Manager

The W-2 agency's Contract Manager manages the W-2 Contract on a daily basis.

4. W-2 Administrator

The DWS Administrator is the W-2 Administrator and shall exercise all of the State's rights under the Contract. Any disputes between a W-2 agency and the Department under the Contract shall be resolved by the Disputes process. (See section 54 of the Contract.)

5. Notices Relating to Termination, Breach, Noncompliance, or Failure Penalty

Any notice or demand relating to termination, breach, noncompliance, or failure penalty shall be in writing and either delivered personally, by fax followed by certified mail, or by certified mail, return receipt requested, addressed to the Department's Contract Manager. Notices sent by fax must be followed up by certified mail or by regular mail within twenty-four (24) hours of the fax send time. The mail follow-up must be the same documents as the fax (no additional or changed documents may be included in the mailed follow-up).

6. Captions

The captions in the Contract and associated documents are intended for reference only and in no way define, limit or describe the scope or intent of any provisions contained therein.

7. Performance Standards

The Performance Standards that apply to this Contract are contained in Appendix B, Performance Standards. (See Performance Standards for the 2004-2005 W-2 and Related Programs Contract, Appendix B to the Contract.)

8. Compliance with Policies for W-2 and Related Programs

The W-2 agency is responsible for delivering W-2 and Related Program activities in accordance with the Department's Policies and Procedures. The W-2 agency must comply with the Department's Policies and Procedures. The Affidavit of Fair Competition (Part 2, Section 1.21 of the W-2 Capacity Plan) includes a statement that the W-2 agency must comply with all terms, conditions, and Response Items required by the State in the Contract, documents incorporated by reference, and the W-2 Plan.

9. Policy Change

9.1 Department's Policies and Procedures

The Department may modify its Policies and Procedures and the Department's document titled Policies and Procedures for W-2 and Related Programs Contract, which is incorporated by reference into the Contract.

9.2 New Policy Mandate

The Department will issue new policy mandates as required to do so by State or federal law, rules or regulations or a court order or a settlement agreement.

9.3 Adopting New Policies

The Department may issue a new policy mandate which is not required by State or federal law, rule or regulation, a court order, or a settlement agreement, to the extent that the new policies are necessary to implement service improvements.

9.4 Proposed Modification to the Department's Policies and Procedures

If the Department proposes a modification to the Department's Policies and Procedures that is not required by State or federal law, rules or regulations or court order or settlement agreement, the W-2 agency, using a committee advisory to the Department or other method specified by the Department, will have thirty (30) calendar days to comment on the fiscal impact to the W-2 agency of such a change. The Department shall consider such comments prior to the implementation of the proposed modification to the Department's Policies and Procedures.

9.5 Policies Relating to Participant Sanctions

During the Contract Period, the Department shall review and may propose modifications to the Department's Policies and Procedures relating to participant sanctions.

9.6 Policies Relating to Training for Financial and Employment Planners

The Department will review and revise the appropriate policies to ensure that W-2 agency Financial and Employment Planners ("FEPs") receive training in coordination with local child welfare and other community agencies to facilitate the employment of the participants, their well-being and the well-being of their children.

10. Funding Change

The W-2 agency agrees that the obligations of the Department under the Contract are limited by, and contingent upon, legislative authorization and budget appropriations. If, during the Contract Period, the appropriations that fund performance under the Contract are not made or are repealed or reduced by actions of Congress or the State Legislature, then the Department shall notify the W-2 agency of the funding change. The Department may notify the W-2 agency which services shall be performed by the W-2 agency. If the W-2 agency makes a determination that additional changes in required services are necessary because of the lack of funds, the W-2 agency may, within thirty (30) calendar days, present a proposed plan to the Department for modifications in required services. The Department will respond within thirty (30) calendar days to such a proposed plan in making its final decision on the services to be performed.

11. W-2 Plan to Administer W-2 and Related Programs

11.1 W-2 Plan Documents

The W-2 Plan to Administer W-2 and Related Programs shall consist of the W-2 agency's Capacity Response Items, Program Response Items and all required forms submitted to the Department in 2003 as approved by the Department and as modified in accordance with section 11.5 of the Contract. The W-2 Plan to administer W-2 and Related Programs must be consistent with the W-2 and Related Programs Request for Proposals ("RFP") and/or the Department's recontracting instructions for the Right of First Selection ("RFS") agencies.

11.2 Property of the Department

The W-2 Plan and any Plan Modifications submitted to the Department become the property of the Department upon receipt. All rights, title and interest in all W-2 Plan materials and ideas prepared by the W-2 agency shall become the exclusive property of the Department and may be used by the Department at its option.

11.3 W-2 Plan Administration

The W-2 agency must administer W-2 and Related Programs in accordance with the Plan. W-2 and Related Programs include, but are not limited to, the following: W-2 employment positions; W-2 case management, Food Stamp Employment and Training; Child Care eligibility determinations; Refugee Cash Assistance and Refugee Medicaid; Job Access Loans; Emergency Payments; Learnfare; and Children First (optional, Children First may be administered by the W-2 agency or the Child Support agency).

11.4 Scope of Work

The scope of work includes all of the elements of the approved W-2 Plan, in accordance with the Department's Policies and Procedures.

11.5 W-2 Plan Modification

11.5.1 W-2 Agency Initiated

11.5.1.1 Proposed Substantive Plan Modification

If the W-2 agency determines that a substantive change is needed to the W-2 Plan, the W-2 agency shall submit the proposed change in writing to the Department's Contract Manager for written approval. A substantive change includes, but is not limited to, a change in services or a service provider; service hours or the location where services are provided; management oversight or contract administration; or access to and delivery of services. The Department's Contract Manager shall within ten (10) business days of notification by the W-2 agency submit a written response which will state the Department's approval or disapproval of the proposed W-2 Plan Modification.

11.5.1.2 Updates to the W-2 Plan

In the absence of any substantive change that would require a W-2 Plan Modification, the W-2 agency must submit any updates to the Plan (or a statement that there are no updates to the W-2 Plan) to the Department's Contract Manager at least twice annually.

11.5.2 Department Initiated

11.5.2.1 Modifications – Substantive or Others

If the Department determines that a substantive change is needed to the W-2 Plan or a change, the Department shall notify the W-2 agency. The W-2 agency shall, within ten (10) business days of notification by the Department, submit a written proposed W-2 Plan Modification to the Department's Contract Manager. The Department's Contract Manager shall notify the W-2 agency of the Department's approval or disapproval of the proposed W-2 Plan Modification within ten (10) business days.

11.5.2.2 Modifications Relating to the Contracting Process

If the Department determines that a change is needed to a Proposal proposed as a part of the RFP contracting process or a Plan proposed as part of the RFS contracting process, the Department shall notify the W-2 agency and the W-2 agency shall submit the modification to the Department's Contract Manager within ten (10) business days.

12. Contract Interpretation

The Department is solely responsible for rendering decisions in matters of interpretation on all terms and conditions of the Contract. Any ambiguity or inconsistency among the Contract documents shall be resolved by applying the following order of precedence:

- (a) The Contract, including any Appendices, Attachments and Amendments;
- (b) The RFP, including all forms, Appendices, Addenda and incorporated documents, and the Response Items from the Department's Right of First Selection Administrator's Memorandum for 2004-2005 W-2 and Related Programs Contract; and
- (c) The W-2 agency's Plan, including any approved Modifications.

13. W-2 Agency Structure

13.1 Duly Incorporated and Registered

With the exception of government agencies and tribal governing bodies, a W-2 agency must be duly incorporated and registered under Wisconsin Statutes.

13.2 Single Organization Unit

Each W-2 agency must have a structure which permits the Department to hold it accountable as an entity, as opposed to a structure in which the W-2 agency is made up of co-equal partners, each of whom can be held accountable only for their specific contracted responsibilities. The W-2 agency must consist of a single organizational unit or when a consortium exists there must be a single point of contact and accountability.

13.3 W-2 Agency Director

Each W-2 agency must be headed by a W-2 director who administers through an appropriate chain of command. The director must retain powers to provide, purchase or subcontract for services necessary to meet its contractual obligations as a W-2 agency, without such decisions requiring prior authorization from partner agencies. Nothing in this section is intended to remove authority from a County Board, Board of Directors or a Tribal Governing body. The W-2 director must have management control over the W-2 agency workforce, which may be exercised either through direct hiring or through subcontracts. The W-2 agency director must be competent to manage a diverse workforce.

14. Subcontracts

14.1 Requirements

The W-2 agency may subcontract for some or all of the services covered in the Contract.

In order for a W-2 agency to issue payment to another agency for any service under the Contract, a subcontract reviewed by the Department's Contract Manager is required.

Upon signing a subcontract, in accordance with the Department's Policies and Procedures, the W-2 agency must submit a copy to the Department's Contract Manager for review within fifteen (15) business days.

The W-2 agency must provide a list of all current subcontracts to the Department's Contract Manager within ten (10) business days after each calendar quarter of the Contract Period. The list must be in accordance with the Department's Policies and Procedures.

14.2 Prior Costs

Costs incurred before the execution of a subcontract are not allowable costs for reimbursement unless the Department has reviewed and approved in writing the amount and type of costs and the reason that costs were incurred before the execution of the subcontract.

14.3 Compliance

The W-2 agency must comply with all subcontract requirements under the applicable state and federal laws and the Contract, including any applicable requirements in the Department's Policies and Procedures.

14.4 Subcontracting by Subcontractors

For purposes of the Contract, subcontracting by subcontractors is permitted. All subcontractors, whether first-, second-, third-tier, or more must abide by all the terms of the Contract, including Funding Change (See section 10 of the Contract.), and the Department's Policies and Procedures.

14.5 Responsibility

The W-2 agency is responsible for contract performance when subcontractors are used. The W-2 agency must obtain certifications from subcontractors stating that neither the subcontractors nor potential sub-recipients, contractors, or any of their principals are debarred, suspended or proposed for debarment. (See Certification Regarding Debarment form, Part 2, Section 1.24 of the W-2 Capacity Plan.) The W-2 agency must obtain lobbying compliance certifications from subcontractors. (See Lobbying, Part 2, Section 1.25 of the W-2 Capacity Plan.)

14.6 Non-discrimination Against an Organization

The W-2 agency shall not discriminate against an organization that is or applies to be a subcontractor on the basis that the organization has a religious character. The W-2 agency shall not require the faith-based organization to alter its definition, development, practice or expression of its religious beliefs, nor shall it require the organization to alter its internal governance or remove religious art or any other expression of its religious belief in order to enter into a subcontract with or be awarded a grant from the W-2 agency.

14.7 Non-discrimination Against an Applicant or Participant

The W-2 agency shall not discriminate against any W-2 or Related Programs applicant or participant on the basis of religious or lack of religious belief. Therefore, if the W-2 agency subcontracts with a faith-based organization to provide case management services or assistance to W-2 and Related Programs participants, it must make available within a reasonable time an alternative provider of the same services, worth the same value, to any participant who objects to the religious character of the organization or institution from which the participant would receive or is receiving case management services or assistance.

14.8 Fiscal and Accounting Standards

The W-2 agency shall require any faith-based organization that it subcontracts with or awards a grant to, to meet the same fiscal and accounting standards, and generally accepted accounting principles as any other private provider.

15. Records

15.1 Maintenance

The W-2 agency shall comply with the records, reporting and monitoring requirements of the Department's Policies and Procedures. The W-2 agency shall maintain such records, reports, evaluations, financial statements and necessary evidence of accounting procedures and practices to document the funding received and disbursements made under the Contract. The W-2 agency shall provide information in a form and manner prescribed by the Department, including but not limited to, using the CARES system and/or other systems designated by the Department.

15.2 Availability

Upon request, the W-2 agency shall make records available to the Department for inspection including records and information, which may not be maintained in CARES. The W-2 agency further agrees to transfer to the Department any original or copy of records that the Department requests during or after the Contract Period as soon as practical and no later than within ten (10) business days. The W-2 agency shall use the schedules for record retention in accordance with the Department's Policies and Procedures and State and federal law.

15.3 Retention

In the case of documents that are not covered by the schedules for record retention in accordance with the Department's Policies and Procedures and State and federal law, the W-2 agency will retain all documents applicable to the Contract for a period of not less than three (3) years after the final payment under the Contract is made.

15.4 Confidentiality

Except as provided by Wisconsin Statutes, the W-2 agency shall keep participant records confidential and shall properly dispose of them in accordance with State and federal rules and policies.

15.5 Data Sharing Agreement

A signed data sharing agreement between the Department and the W-2 agency is required before access to the Department's automated systems will be granted. The confidentiality and disclosure requirements in the data sharing agreement survive the termination of the Contract. Upon termination of the Contract all personal identifiable participant information stored on electronic media must be erased in such a way that it is not recoverable. All paper documentation containing personal identifiable participant information that is not turned over to the succeeding W-2 agency or the Department must be shredded.

16. On-Site Visits

The Department may conduct on-site visits at any time and without prior notice to the W-2 agency, using either its own employees or agents, to conduct inspections or audits or for any other purposes as the Department deems necessary to determine the W-2 agency's compliance with the Contract. The cost to the Department of an on-site visit will be paid by the Department unless the Department determines that an on-site visit is required by the failure of the W-2 agency to satisfactorily perform its responsibilities under the Contract.

17. Records of Contract Compliance Issues, Monitoring, and Corrective Action

17.1 Records of Contract Compliance Issues

Both the Department and the W-2 agency must maintain records of potentially serious contract compliance issues. The records shall identify the date(s), the issue(s) and how the issue(s) was resolved including required follow up actions and timeframes.

17.2 Monitoring

17.2.1 Monitoring Reviews

The Department will conduct monitoring reviews of the W-2 agency.

17.2.2 Corrective Action Plan

Based on the results of each monitoring review, the Department will notify the W-2 agency of items which require a Corrective Action Plan and the time allowed, which shall be no less than ten (10) business days, and no more than thirty (30) calendar days, or longer if pre-approved by the Department, to implement the Corrective Action Plan.

17.2.3 Failure

If the W-2 agency fails to fully implement substantial required Corrective Action(s), the Department may revoke the W-2 agency's Right of First Selection status. (See Performance Standards for the 2004-2005 W-2 and Related Programs Contract, Appendix B to the Contract.)

17.3 Corrective Action Outside of Monitoring Reviews

17.3.1 Opportunity for Corrective Action Plan

Except under the Penalty Amounts (section 18.3) and Substantial Noncompliance (section 20.3) sections of the Contract, the W-2 agency at its discretion may submit a Corrective Action Plan to address noncompliance with the provisions of the Contract.

17.3.2 Requirement

Within six (6) business days of receipt by the W-2 agency of notice of failure to perform any provision of the Contract, the W-2 agency shall submit to the Department's Contract Manager for approval a Corrective Action Plan to remedy such failure.

17.3.3 Failure

A failure by the W-2 agency to submit an approvable Corrective Action Plan or a failure by the W-2 agency to fully implement the approved Corrective Action Plan within ten (10) business days of approval of the Corrective Action Plan by the Department shall constitute Uncorrected Nonperformance under the Contract and may be cause for termination of the Contract. If the W-2 agency fails to fully implement substantial required Corrective Action(s), the Department may revoke the W-2 agency's Right of First Selection status. (See Performance Standards for the 2004-2005 W-2 and Related Programs Contract, Appendix B to the Contract.)

17.4 Payment Adjustments for Failure to Take Corrective Action

After giving the W-2 agency notice and an opportunity to take corrective action, the Department may reduce, withhold or recover payments to the W-2 agency if the W-2 agency fails to satisfactorily perform its responsibilities under the Contract.

18. Failure Penalty

18.1 Investigation

The Department shall investigate an alleged instance of failure to implement programs or operations requirements for the W-2 and Related Programs based on information received from a complaint from any source, including, but not limited to, a W-2 applicant or participant a management report analysis, a case review, on-site monitoring, or desk monitoring.

18.2 Procedure

The Department's Contract Manager shall describe in writing the alleged instance of failure to implement programs or operations requirements for the W-2 and Related Programs and shall provide a copy to the W-2 agency. The Department shall investigate the alleged instance of failure and shall issue a written finding of fault or no fault. The W-2 agency must cooperate with the Department's investigation. At the Department's discretion, a finding of fault may include a warning and a Corrective Action Plan requirement and timeline to resolve the finding. The Department at its discretion may waive part or the entire damage amount set forth in the Penalty Amounts section of the Contract. The W-2 agency may use the Disputes process under the Contract to obtain review of a written finding under this section, but any such dispute must be received by the Department Chief Legal Counsel within ten (10) business days of the W-2 agency's receipt of the written finding.
